This agreement form is between the Crested Butte Nordic Center and the 'renter' of this equipment. The 'renter' of this equipment understands that use of the equipment for the duration of the season is free. The 'renter' also acknowledges that if the equipment is lost, damaged, or not returned promptly or in a clean manner, then the above credit card will be charged for an amount to be determined by the Nordic Center Rental Fleet staff. We feel this method will best teach the kids in the program to treat their equipment well and with respect. Kids and parents alike must accept responsibility for this equipment.
